LEONARDO DA VINCI

MULTILATERAL PROJECTS - TRANSFER OF INNOVATION 2011,

Project n.: CZ/11/LLP-LdV/TOI/134005

Project name: Vocational Training in Assessment of Existing Structures

Minutes

of the bilateral meeting of project partners
held at the CTU Prague, Klokner Institute
on January 4, 2013 09:00 – 17:00

Participants:

P1 (contractor) – CTU KI: Milan Holický
Jana Pallierová

P3 – Hochschule Regensburg: Dimitris Diamantidis

1. Welcome - Opening

2. Dissemination:

The further dissemination of project results related to Guidebook 1 was discussed with emphasis on the following possibilities:

- a) Impact on committee work i.e. ISO, JCSS
- b) Technical presentations in conferences such as in Capetown September 2013
- c) Presentations/ lectures in Universities and companies
- d) Implementation in university courses.

3. Handbook 2:

- a) Examples related to Chapter 6 on updating were discussed
- b) Verification procedures for existing structures were reviewed

4. Software tools – Software tool products were discussed

5. E-Learning – Material such as questions and exercises were discussed and examined

6. Seminars: The contributions of Prof. Holický and Prof Diamantidis for the coming seminars in Pisa (March 2013) and Budweis (May 2013) were discussed in order to avoid overlapping.
